

The FIBAA Tool Kit of Services

FIBAA offers a broad range of services allowing Institutions of Higher Education to **document the quality** of their educational products such as courses of further education, study programmes, or of a faculties or an institution itself through the internationally renowned **FIBAA Seal**. The services offered by FIBAA, all based on the **same methodological approach**, are easy to combine and thus allow taking **advantage** of possible **synergies**. In this way, the combination of services in FIBAA's Tool Kit in a single procedure leads to a **reduction of costs, time and effort** for the customer.

Result	Service Offer				
	Certification of courses of further education	Accreditation procedures for study programmes	Systems Accreditation procedures (Germany only)	Institutional Audit	Institutional Evaluation
Assessment Report	-	-	-	-	Basic Rate 4
